To whom it may concern:

Kringle Candle Company is an American manufacturer that produces high quality, highly fragranced candles. All of our candle products are produced in Bernardston, Massachusetts USA.

Our candles are made with 100% food grade paraffin wax and liquid fragrance oils in small batches under strict quality controls.

par·af·fin

ˈperəfən/

noun

noun: **paraffin wax**

a flammable, whitish, translucent, waxy solid consisting of a mixture of saturated hydrocarbons, obtained by distillation from petroleum or shale and used in candles, cosmetics, polishes, and sealing and waterproofing compounds.

Sincerely,

Patrick Weyers
